BACK COVER SYNOPSIS

All major religions and societies agree forgiveness is a good idea. But what they haven't taught us is how to forgive. The Forgiveness Solution gives you the how in a proven step by step formula that brings relief from the hurt and puts you on the road to living the happy, healthy life that God has intended for you. Rev. Misty teaches you how to shift your perspective and adjust your expectations of people and situations, so you can move past the pain of un-forgiveness. Rev. Misty draws upon her intensely personal experiences of facing deep sadness, anger and grief with the power of forgiveness. She meets you where you are and helps you walk through your forgiveness journey.
